We are looking to form teams for 11U-18U girl and boy players to participate on. Once teams are formed with the position players needed to participate in tournaments for the Regular Club Season, then that team will start practicing together with their Regular Club Season Coach during the Mini/Pre-Season

7U-10U players can still participate in the Mini/Pre-Season and Regular Club Season, but will only train as a developmental player under one of the developmental team programs, unless they are advanced enough to play on a tournament team

If any 11U-18U player doesn't make a tournament team or doesn't want to participate in all tournaments, then they can participate in a developmental program and participate as a "practice player" with a tournament team around their age group and skill level. If a "practice player" would like to participate on certain game day weekends, and a player is needed to fill-in, then they can participate for an additional cost.

2020 Mini-Season/Pre-Season begins Aug. 3rd and ends Oct. 28th

Monday Package (12 practice sessions), Aug. 3rd-Oct. 26th

1 day a week practice.

Cost: \$240

Wednesday Package (13 practice sessions), Aug. 5th-Oct. 28th

1 day a week practice

Cost: \$260

Sunday Package (11 practice sessions), Aug. 9th-Oct. 25th

1 day a week practice.

Cost: \$220

***You can sign your daughters and sons for 1, 2 or 3 training sessions per week**

****We will limit the amount of participants to 40 per training session. If more than 40 register, then we will add additional training sessions.**

*****No Practices on Sunday, Sept.6th 2020 & Monday, Sept. 7th 2020 (Labor Day Weekend)**
